### Facts about Cambodia.

**Words:** Chea speaks Khmer. She says, 'Suasdey'. That means 'hello'. Can you say 'hello' in Khmer?

**Patron Saint:** Saint John, friend of Jesus.

**Weather:** Hot, sunny and wet.

**Animals:** Look at the map of Cambodia on the next page. Can you name the animals that live there?

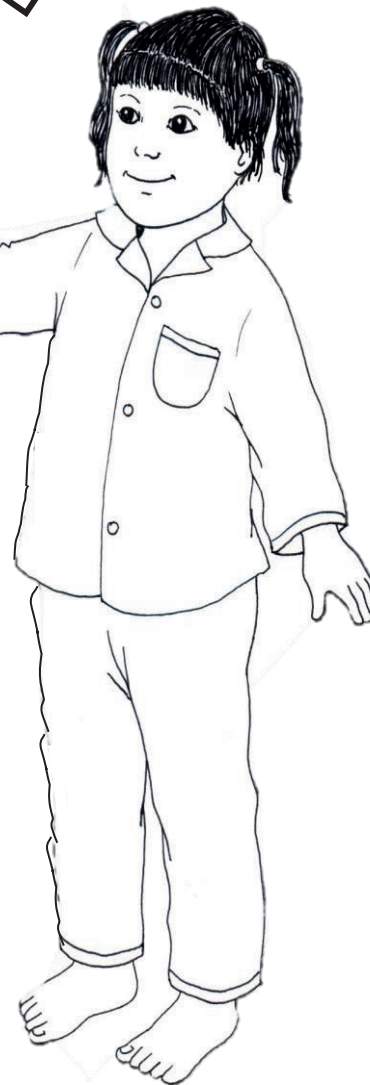

Chea is six years old and lives in Cambodia.

Her mum and dad work very hard for long hours. But they still didn't have the money to send Chea to school.

Chea was left alone at home all day. She could not go outside. It is not safe to play there.

Sister Eulie asked MissioTfal to help her start a school for children like Chea.

Now Chea can go to school to learn new things, play with friends, feel safe and happy.

1. Add the right letters to spell the animal names. Colour the animals. Then draw a line to match correct name with the correct pictures.

Sister Eulie helps Chea and her friends know that God loves us all very much.

Through our prayers and actions, we can help children everywhere to know this too.
