

These children live in a big city in Cambodia.

Geography Q: Which continent is Cambodia in? _____

Their parents moved to the city to find work, but they don't earn enough to send their children to school. So the children were left alone at home all day while their parents went to work. They couldn't even go outside and play.

Feelings Q: How do you think this made the children feel?

Sister Eulie wanted to assist, so she asked MissioTfal to help her start the Lindalva Centre. There the children are looked after and attend lessons. They are also given lunch, can play with their friends, feel safe and are happy.

At the Lindalva Centre, Sister Eulie shows the children how important it is to love one another, just as the Bible reading below reminds us.

'God loves you. So always do these things:

Show mercy to others; be kind, humble, gentle, and patient.

Do not be angry with each other but forgive each other.

If someone does wrong to you, then forgive them.

Forgive each other because the Lord forgave you.

Do all these things; but most important, love each other.

Love is what holds you all together.' 3 Colossians 12-14 (adapted)

From the reading above, pick out the virtues you want to live by today and write them underneath the picture of Sister Eulie. Then say this simple prayer asking for God's help:

Loving God, help me to share your love with all the people I meet today by being (read out the virtues you've written below the picture). **Amen.**
