

This is a picture of Johannes. Johannes lives with 30 other children at St John's Care Home in South Africa. They are all loved and looked after by three religious Sisters.

The Sisters have taught the children to follow the example of Jesus by loving and respecting others, themselves and God. Together they the Bible to guide and help them.

"It's nice living here. My friends help me, and I help them. We help one another to be respectful and kind. We share our toys and play together. We are taught how to help our caregivers too, to use manners and to show love."

Draw a picture of yourself looking after something or someone who makes you happy e.g. a family member, a pet.

The Sisters have helped Johannes to see how important it is to respect and care for all that God has made. One way Johannes likes to do this is by looking after the garden.
