# BEAR AND BE WITNESSES- HAVE A NEW HEART

- Take 2 heart shaped cutouts from the basket. Read Jeremiah 17:14
- Take a heart from the stack on the table and find a place to be by yourself.
- Think of the times in the past that you have been hurt. What pains are you still holding on to? What are you having trouble letting go? These pains may be things done to you by someone else or by your own mistakes.
- For each of these hurts tear a piece of your heart. Don't hide the things that hurt you be honest with yourself as you tear your heart.
- Now go back to the table and place the pieces of your heart in the box and get a new heart. That new heart is the heart that God wants to give you. Real life hurt can't be healed in one night, but all healing comes from God. It is God's love for you that restores you and creates in you a new heart. Take your new heart home as a reminder that God can heal you.

# *TO THE ENDS OF THE EARTH*

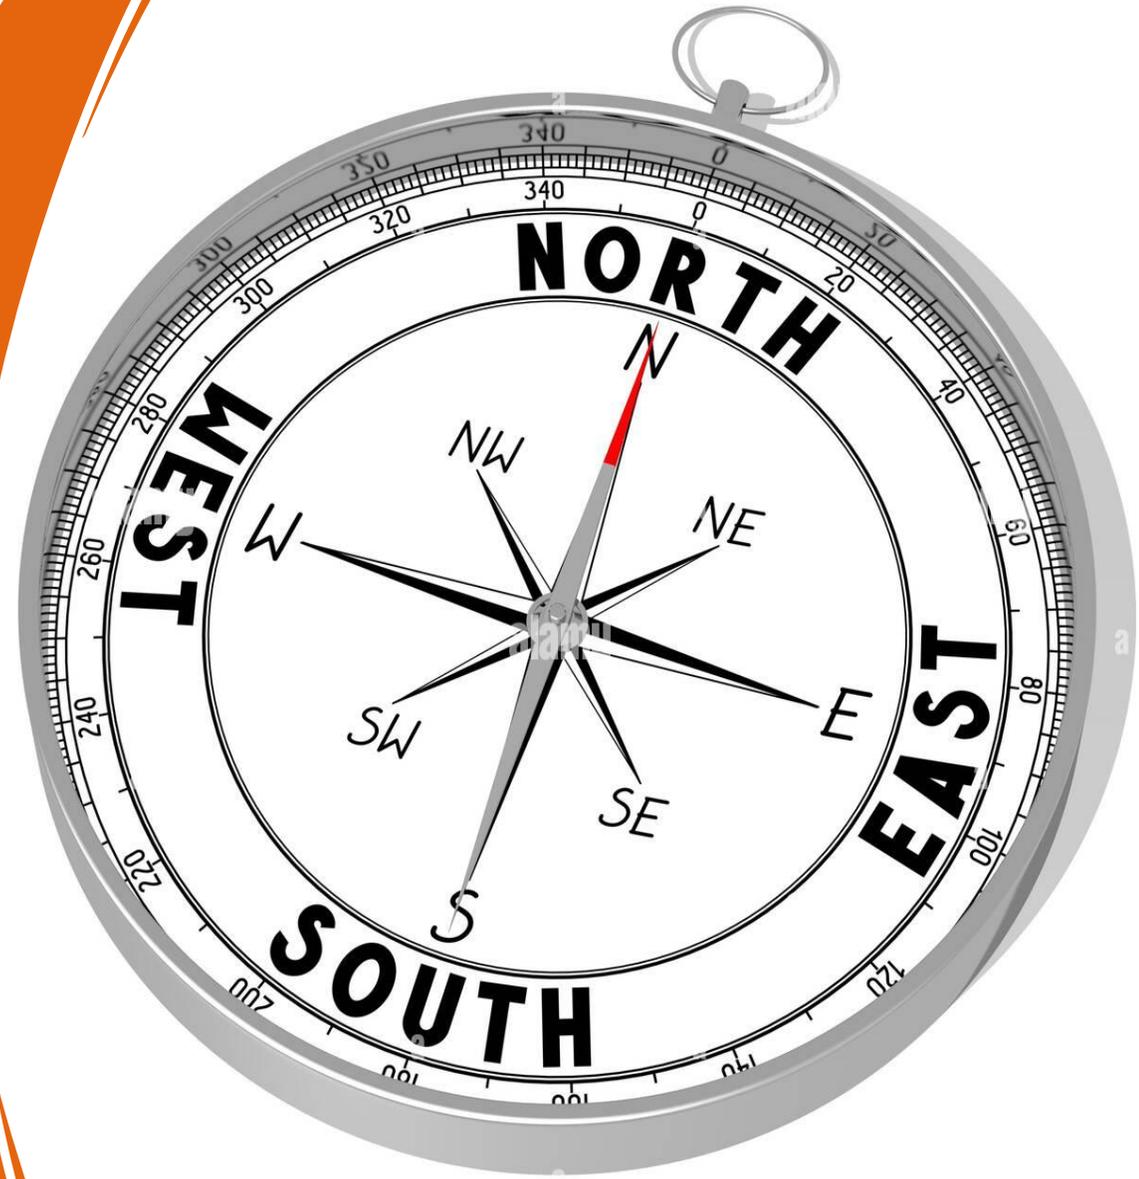

## NORTH, SOUTH, EAST, WEST

You can find some newspaper cuttings - showing some news from around the world.

Take a cutting and write a prayer on the back - praying for that part of the world and for that situation.

It can also be a thank you prayer, if the news is good. It can also be a prayer asking God for strength, justice, peace and guidance.

Now put the prayer in the container available.

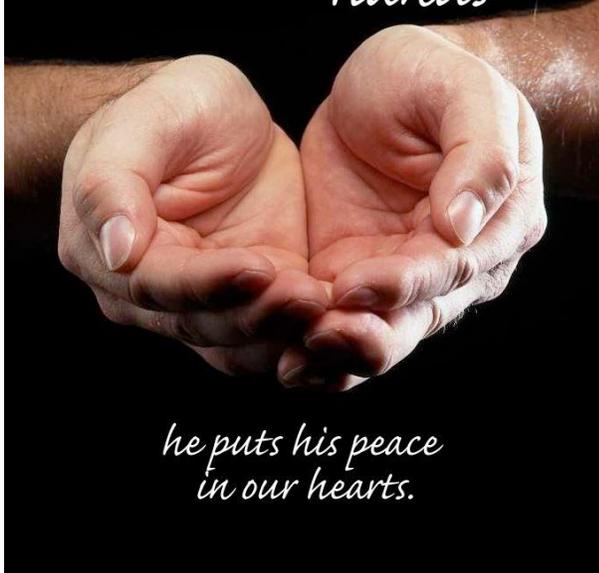

# *TO THE ENDS OF THE EARTH* FOLDED PRAYERS

- On the papers provided, write a prayer and put in the container in front of you.
- Take a prayer from the same container that someone else has written and pray that prayer in your heart.
- – (this is to show solidarity towards others and a way to pray for others)

*When we put our problems in*

*God's  
hands*

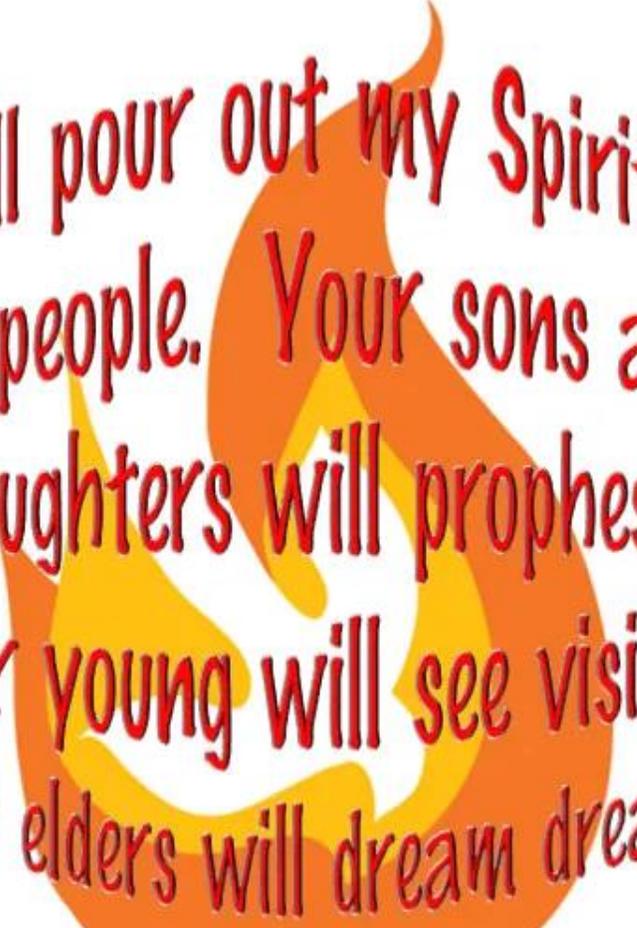

*he puts his peace  
in our hearts.*

## ***YOUR WILL RECEIVE THE POWER OF THE HOLY SPIRIT- CANDLE IN THE DARK.***

- A time of prayer for a difficult situation at school, at work at home, in the world. Remember the suffering church and for persecuted Christians around the world. You can sit cross-legged on the floor. Think of your personal story and of ways of how to be a good Christian and what you can do in these difficult situations.
- In front of you there are battery tea lights. In silence think of some ideas of what you can do to help this situation. Pray for this difficult situation, pray for your friends, your colleagues, and for the suffering church.
- Light the candle and pray the Holy Spirit so that you will be an instrument of encouragement, peacemaking and hope for the people in this situation.

# ACTS:- LIFE IN THE SPIRIT

I will pour out my Spirit on  
all people. Your sons and  
daughters will prophesy.  
Your young will see visions.  
Your elders will dream dreams.

Acts 2:17

Confession: be transparent before God and confess how you have sinned against God and others.

Thanksgiving: Thank God for the small and big things that he has done for you.

# DREAM BIG

Everyone has hopes and dreams – things they would like to have, or to be, things they would like to do, or places they would like to go. Some hopes and dreams are small and could happen today. Others are huge and may take a whole lifetime to reach. Some hopes and dreams feel impossible.

“Nothing is impossible for God.” Are you ready to trust God with your dreams?

- On the butterflies in front of you, write a small dream, something that you hope that it could happen today.
- On the clouds in front of you, write a huge dream. Something that you feel it is impossible.
- On the earth templates, write how you wish the world to be in a few years time.
- Are you ready to offer your dreams to God? Do you believe that this can happen? When you are ready pin them to the board in front of you.
